

VS Code interface showing the `expense-tracker` project. The Explorer pane shows `tracker.py`. The Terminal pane displays the output of the program, including a summary of expenses and the command prompt.

```
-----  
SUMMARY  
- Coffee: P185.0  
- Lucnh: P250.0  
Total spent: P435.0  
Average: P217.5  
-----  
Made by: Clyde | Installment 2  
PS C:\Users\Clyde\Tahud\Desktop\python-course\expense-tracker>
```

The Chat pane on the right shows the "Build with Agent" section, which includes a prompt to "Describe what to build" and a button to "Generate Agent Instructions to onboard AI onto your codebase."
